

Fizzonasco di Pieve Emanuele, 01/04/22

*Since 1965 designing and manufacturing
rubber metal anti-vibration mounts*

REACH DECLARATION

As a manufacturer, Patrini Giacomo srl is a “downstream user”, in the sense of the Regulation for Registration, Authorization and Restrictions of Chemicals (REACH).

We supply to our customers only no-chemical items.

Consequently, Patrini Giacomo srl is not subjected to any obligation to register or to compile safety data sheets.

Based on the actual information from our suppliers, regarding article 33, we can confirm that all Patrini Giacomo’s products do not contain any of the substances in the ECHA candidate list SVHC – Substances of Very High Concern (REACH article 59) with a concentration of more than 0,1% by weight.

The above statement refers to the actual candidate list, available under the following address:
<https://echa.europa.eu/it/candidate-list-table> that has been updated on 17/01/2022

In the extremely unlikely situation that Patrini Giacomo’s product should contain a substance listed in the ECHA candidate list SVHC (Article 59), with a weight > 0,1%, we will promptly inform our customers, according to what stated by article 33.

Best regards

Patrini Giacomo srl
Walter Patrini
